

98c Learning Loss Plan

Data Review

The impact on student learning has been affected by the pandemic. Reviewing state and local assessments shows there is a need to accelerate learning across the district.

Current Supports

- Professional Learning Communities (PLCs)
 - Data Cycles
- Professional Learning for staff
- Implementing evidence-based activities to meet the comprehensive needs of students
- Universal Tier 1 supports
- Interventionists (math/reading)
- SAT teams
- What I Need Time (WINN) and Seminar
 - Small group and individual support in both math and reading
- Individualized Paths for Students
- Study Table

Future Supports (98c Funds will support)

- Implement evidence-based activities to meet the comprehensive needs of students.
- Professional Learning to support interventionists and teachers
- Summer Programming for at-risk students and innovative programs to increase engagement and academic achievement
- Programs to support students at their instructional level during the summer and school year
- Literacy supports for K-12 teachers to support interventionists and teachers

Impact

We will measure the impact of each support included in the plan through progress monitoring and student growth on benchmark assessments.

Review and Revision

We will review the plan as necessary and make revisions based on student data and teacher/administrator feedback.
